Chemists Celebrate Earth Day Illustrated Poem Contest

Contest Rules

- Poems must conform to a particular style. **No poem may be longer than 40 words.**
- The topic of the poem and the illustration must be related to the CCED theme, “**Energy – It’s Everywhere!**” or the IYC theme of **water**.
- All entries must be original works without aid from others.
- Each poem must be submitted and illustrated on an unlined sheet of paper (of any type) not larger than 11” x 14”. The illustration must be created by hand using crayons, watercolors, other types of paint, colored pencils or markers. The text of the poem should be easy to read and may be printed with a computer, before the hand-drawn illustration is added, or the poem may be written on lined paper which is cut out and pasted onto the unlined paper with the illustration.
- Only one entry per student will be accepted.
- All entries must have the following information included with the entry: student’s name, grade, home address, telephone number, school name, school address, teacher’s full name, email, school telephone number (both addresses are used for sending prizes; please provide complete information), and style of the poem below the title.
- All illustrated poems and/or digital representations of the poems become the property of the American Chemical Society.
- Acceptance of prizes constitutes consent to use winners’ names, likenesses and entries for editorial, advertising and publicity purposes.

Entries must be received by April 1st, 2011 and may be sent to the following address:
